

# MACAWS

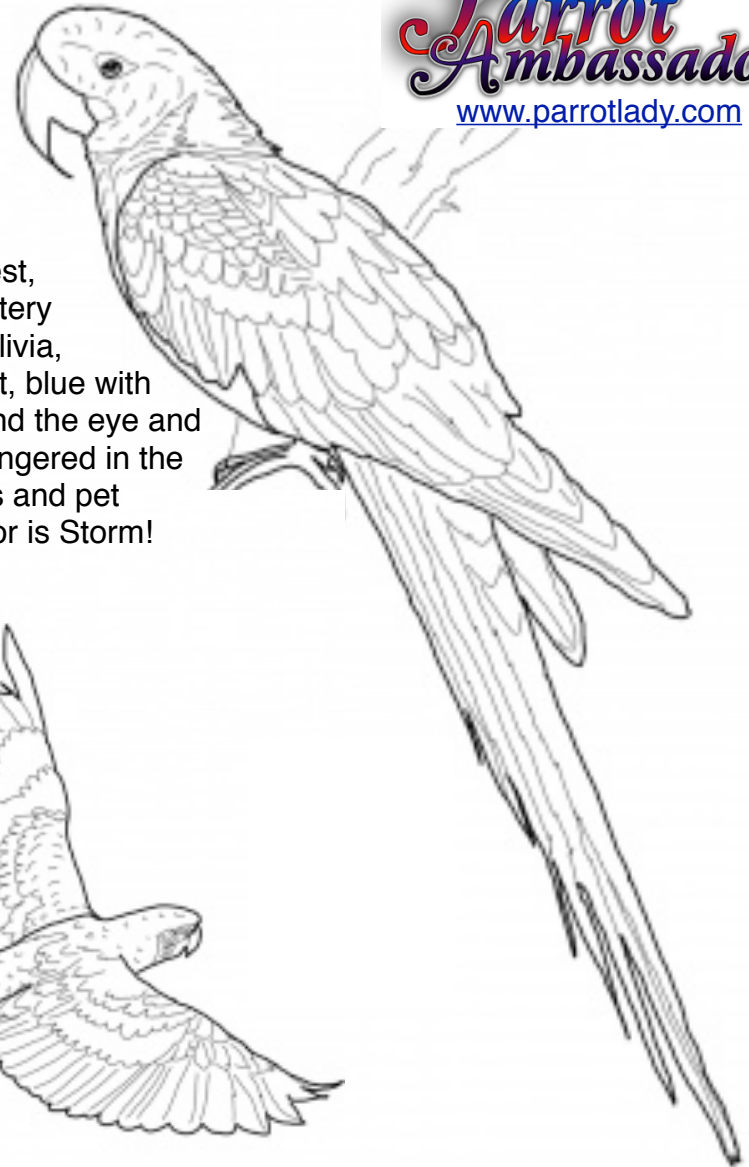

## **BUFFONS MACAW**

Critically endangered, large, green macaw with red top head. Found in Costa Rica, Ecuador currently.

Meet our ambassador, Zilla!

## **HYACINTH MACAW**

Found not in a rainforest, but the Pantanal, a watery swampland area of Bolivia, S. America. Big, bright, blue with dashes of yellow around the eye and mouth. Critically endangered in the wild due to habitat loss and pet trade. Our ambassador is Storm!

## **GREEN WINGED MACAW**

A bright red bird with green on the wings! Fairly common in captivity, endangered in the wild. Found in S. America only. Large parrot, liking to eat nuts, berries, fruit, root, leaves and even clay. Meet our Ambassador, Oly!
